At long last, after much discussion, rubber stamps of the C.A.W.M.C. logo are now available to members. The first lot are priced at \$6.00 each postpaid; prices on subsequent batches cannot be guaranteed to remain this low, however.

The stamps are available through one of our Board of Governors, Louis H. "Scoop" Lewry, who has agreed to handle the sale of them. All orders should be sent to: Mr. L. H. Lewry, 1161 - 3rd Ave. N. W., Moose Jaw, Sask., S6H 3V1.

C.N.S. WOODS:

Shown above is the new green wood issued by the Calgary Numismatic Society to commemorate its highly successful 1981 coin show, held April 17-19, at the Marlborough Inn in Northeast Calgary. Despite the holiday weekend, 33 bourse tables were occupied by dealers from Winnipeg to Victoria, and from as far

South as San Jose, California. Attendance was excellent and most dealers expressed much satisfaction with the show. Over 40 cases of excellent quality exhibits were on hand, with the juniors outshining their senior rivals in a number of categories. On the Friday night a dealers reception was held and during the day, Saturday, a educational forum and several regional meetings of various organizations occurred. Saturday night was capped off by an excellent banquet of veal cordon-bleu and a superb guest speaker - Major Sheldon S. Carroll, Former Chief Curator of the National Currency Collection at the Bank of Canada in Ottawa.

The wooden tokens were given out at the door to all those paying admission. A few are still available from the Calgary Numismatic Society, P. O. Box 633, Calgary, Alberta, T2P 2J3 at 50¢ each plus SASE.

C.A.W.M.C. MEETING AT CALGARY -- 2nd CHAPTER FORMED:

Minutes of a regional meeting of the Canadian Association of Wooden Money Collectors held at 3:00 P.M., April 18, 1981, at the Marlborough Inn, Calgary, Alberta, with Stan Clute, Calgary, Vice-president, presiding.

Present: Al Munro, Earl Salterio, Mark Mogen, Ted Oulds, Frank Selman, Garry Braunwarth, Neil Probert, Dan Fader, all of Calgary, and Frank Harding, Delisle, Sask., Vi Bedford, Williams Lake, B. C., and L. H. "Scoop" Lewry, Moose Jaw.

Mr. Clute asked L. H. Lewry to act as secretary for the meeting.

Stan also said he wanted to apologize for the lateness of the March issue of Timber Talk as it was still at the printers but it has been promised for Tuesday of next week.

He also said that at long-last rubber stamps of the CAWMC logo are now available as Mr. Lewry had arranged to have them done in Moose Jaw and had brought 25 of them with him. They would sell for \$6.00 each post paid to members of CAWMC, direct from Mr. Lewry who agreed to handle them. Ten were purchased at the conclusion of the meeting.

Stan mentioned that a regional chapter of CAWMC had been set up in Ontario; there would be informal meetings, no dues, no officers, the members must be members of CAWMC, and the plan would be to promote and publicize CAWMC. He said plans already had been made to present an all-wood show in Toronto. Another chapter is proposed for the Maritimes. He asked whether an Alberta chapter would be agreed upon. It was suggested in questioning the idea that British Columbia should also be included as a part of a Western Canada chapter. Garry Braunwarth said one of the objectives of a chapter would be to get collectors together for trading and to get better known. Stan mentioned that the idea would be to get new members as well, as is being done by the Ontario chapter.

It was moved by Earl Salterio, seconded by Al Munro, that we form the Calgary and District Chapter of the CAWMC.

Mr. Clute distributed woods he had made with the new logo stamp and additional woods were exchanged by members.

The meeting adjourned at 4:15 P.M.

L.H. Lewry,
Acting Secretary.

To the right is shown one of the homemade woods distributed at the meeting. A total of 15 were made and none are for sale.

EDITOR'S COMMENT:

We would like to apologize to all members for the extreme lateness of the March and April issues of Timber Talk. The March issue was tied up at the printers for 7 weeks and this, in turn, threw the April issue behind schedule, also.
